Actuarial Annexure: Sub-Limits, Consumables & Excluded Procedures (2026)

Section 1: Covered Sub-Limits Schedule

1. Cataract Surgery: INR 45,000 per eye (up to INR 90,000 bilateral).
2. Maternity: INR 1,00,000 (Normal or Caesarean).
3. Lasik / Refractive Eye Surgery: Covered up to INR 30,000 per eye if refractive error exceeds +/- 6.0 diopters.
4. Robotic & Modern Treatments: Covered up to 50% of Sum Insured.
5. OPD & Dental Wallet: INR 10,000 per family per year.

Section 2: Standard Exclusions

Cosmetic plastic surgery, non-prescribed dietary supplements, and experimental stem-cell procedures remain excluded unless reconstructing post-accident trauma.
